Participating Clubs

- Carnmoney, Country Hills, Elbow Springs, Hamptons (new this year), Inglewood, Redwood Meadows, Silver Springs, and The Winston (previous the Elks Club).

The BLIC Season

- The season starts May and runs to August, with the BLIC Wind Up Tournament at Carnmoney on September 17th.
- The schedule is published early April.
 - Wintergreen hosts Carnmoney, Inglewood, Redwood Meadows and Silver Springs.
 - Away games are Country Hills, Elbow Springs, Hamptons and Winston.

The Commitment

- A minimum of 1 home and 1 away game.

Eligibility

- You must be a Wintergreen member.
- Have an established handicap with all scores entered into the Golf Canada systems, within the same year games are played. For more details see the Golf Handicap Manual.

Responsibility

- To have fun!
- Keep your scores current, whether playing at home or away, BLIC match play, Ladies League play, tournaments and or with friends and family.
 - Why is this so important? Bragging rights and a trophy are at stake! Another reason is to ensure competitive and fair match play, similar handicap players are matched (A – lower handicap players and B – higher handicap players). This cannot be achieved without current scores being entered throughout the year of play.
- Know the basic rules of golf and familiarize yourself with the Division II Business Ladies Interclub rules. (BLIC rules provided with published schedule).

The Cost and What's Included

- \$40.00 per player.
- 2 games; 1 home and 1 away.
- Meal after each match play game; home and away.
