

## 2025 LADIES LEAGUE INFORMATION – FUN, FRIENDS & FAIRWAYS!

Happy New Year Ladies!

As the 2025 golf season approaches I would like to spend a quick moment to cover what can be expected for the upcoming season.

Our vision this year is to provide a relaxed night out and a way to enjoy the game in a non-pressure environment, whether you're a seasoned player or just getting started – we really want this to be a year for the ladies to have a social night, have some fun, meet some new people, and grow the league!

I welcome you to pass this on to any friends that might be interested. Additionally, for any business owners, or friends of businesses – feel free to pass on the attached advertisement for display. If you would like to sponsor a Ladies League night hole (great advertising opportunity) please reach out to Trevor.

### League Details

**The League:** Ladies League runs every Wednesday starting May 28<sup>th</sup>. It will continue until the last week of August, which will be the final event with a shotgun 9-hole tournament and a dinner with prizes to follow. The League is open to everyone and all ability levels.

**Tee Times:** Public league members can book tee times 7 days in advance. League tee times start at 3:00PM. Contact the Pro Shop to book. You can play with friends or join in with any of the groups. This is a 9-hole league, but if you wish to play 18 holes, please see the 18-hole league rate below. All proxies will be laid out on the first 9 holes.

**Handicaps:** This is a non handicap league. However, we will be running a year long net game for those with a handicap that want to be included in a handicapped game.

**Games and Prizing:** Each week will consist of a fun, non-handicap, easy to play game. Prizes will be awarded each week, as you may have learnt last year – anyone can be a winner! We will also have some year long fun games to be announced closer to season start and will also be posted in the ladies' locker room.

### **League Entry Fee: \$89**

Please note a slight increase in league fees but also note what is included this year:

- No cost/automatic entry into the weekly cash games, prizes and proxies
- Weekly \$5 coupon to be used upstairs for food and beverage (Wednesdays only, 1 coupon per player)
- Additional value-add surprises throughout the year

**Scorecards:** Please hand your scorecard in to the Pro Shop after your round. If it is not handed in you will miss out on the weekly games.

**Maximum Scores per Hole:** Double Par is the Maximum Score that can be taken on any Hole.

So, if it is a Par 3 the Max is 6, if Par 4 the Max is 8, and if Par 5 the Max is 10. You can pick up your ball if you hit the maximum. This will help in the speed of play.

**Pace of Play:** 9 holes of golf is expected to take a maximum of 2 hours and 15 minutes. We ask that you keep up to the group in front of you. If your group falls too far behind in the pace of play you may need to pick up your ball and jump to the next hole to catch up.

**Drop In's (Non-League Members):** You may bring a guest out to play with you but if they have not signed up and paid for the Ladies League, they will not receive the League green fee pricing. They will have to pay the regular applicable green fee for the tee time. Only League players receive the discounted green fee and get to participate in the proxy and cash prizes.

**Hole Sponsorship:** If you are interested in sponsoring a hole or prizing this year please reach out to Trevor at [Tedwards@wintergreengolf.com](mailto:Tedwards@wintergreengolf.com). We have several different sponsorship levels and an official invoice will be provided.

**Golf Canada Membership:** \$43 + gst to sign up for a Golf Canada Membership. This is optional and not mandatory. It gives you access to the handicap system as well as many more perks. Click on this link for further details on the membership: [Join - Golf Canada](#)

## **PROXY MARKER INFORMATION**

**Proxy Markers:** There will be 9 Proxy Markers on the first 9 holes of the course. The proxies and prizes are included when you join the league, with prizes available for pickup in the proshop the following week. Players must be in the Ladies League to participate in the proxy and weekly games.

**Mulligans:** You cannot use a Mulligan shot to count as the Proxy shot. A Mulligan is a stroke in golf that is played from the same spot that a player hit their previous stroke, looking to re-do the prior shot. Your first shot is the one you must use when it counts towards a proxy prize.

### **Examples of Proxy's you will find on the course:**

**Closest to the Pin - 1<sup>st</sup> Shot:** Your first Tee Shot that lands on the green. Move the Proxy to where your Ball comes to a stop, if it is closer than the previous golfers shot, and mark your name on the Proxy.

**Water Ball:** Write your name on the proxy if your ball lands in the water at any point while playing the hole.

**Longest Made Putt:** Your ball must be on the green for this proxy and not on the fringe (short grass around the green). If you sink your putt and it is farther away than the previous golfers shot, move the Proxy to where you putted from, and mark your name on it.

**Longest Drive:** You will see a proxy in the fairway, if your drive ends up in the fairway past the proxy, mark your name on the proxy and move the proxy to your ball.

**Shortest Drive:** The shortest drive does not need to be in the fairway, if your drive ends up the shortest, mark your name on the proxy and move the proxy to your ball.

**Oops I Four Putted:** If it takes you 4 putts to get the ball in hole, mark your name on the proxy card.

**Sand Shot:** If your ball lands in any Sand Trap on that hole, mark your name on the Proxy card located next to the Green.

**I encourage you to pass this on to any friends that may be looking for a league to play in, are new to golf, or just looking to get out for some fun and fresh air.**

**Please contact League organizer Trevor Edwards with any additional questions or inquiries – looking forward to the 2025 season!**
